Monstarr

Advisory - the following lyrics contain explicit language:

Can I not be normal? 'Cause I'm not a size 10
Play music, be in films or even show my face
Should I be embarrassed if it's such a crime?
Funny how your life depends upon your waistlineShould I kill myself? You're my execution
Why's being slim important? No one is a monster
Don't steal their confidence, it's not yours to take
I don't want to be a model, at least I'm not fakeFunny how your life depends upon your waistlineI am gonna make it, I'm not gonna fake it
Not for the sake of it, yes, I'm gonna take it
