

# As Time Goes By

**Bryan Ferry**

You must remember this  
A kiss is still a kiss  
A sigh is just a sigh  
The fundamental things applyAs time goes by  
And when two lovers woo  
They still say "I love you"  
On that you can relyNo matter what the future brings  
As time goes by  
Moonlight and love songs never out of date  
Hearts full of passion, jealousy, and hateWoman needs man, and man must have his mate  
That no one can deny  
It's still the same old story  
A fight for love and glory
