60 Miles an Hour

New Order

I don't know if I told you, but I'm seeking sanctuary
You'll never guess the things that I do
I'll have the devil round for tea
Don't you know that I'm here beside you?
Can't you see that I can't relax?
When I saw you in my rear view
You could've stopped me in my tracksI'll be there for you when you want me to
I'll stand by your side like I always do
In the dead of night it'll be alright
'Cos I'll be there for you when you want me toYou can take me to an island, ride across the stormy sea
We can worship pagan idols there together you and me
Why don't you run over here and rescue me?
You can drive down in your car
Why don't we both take a ride and turn that key?
We'll drive at 60 miles an hourI'll be there for you when you want me to
I'll stand by your side like I always do
In the dead of night it'll be alright
'Cos I'll be there for you when you want me toI'll be there for you when you want me to
I'll stand by your side like I always do
In the dead of night it'll be alright
'Cos I'll be there for you when you want me toI'll be there for you when you want me to
I'll stand by your side like I always do
In the dead of night it'll be alright
'Cos I'll be there for you when you want me toI'll be there for you when you want me to
I'll stand by your side like I always do
In the dead of night it'll be alright
'Cos I'll be there for you when you want me to
