

# Rearrange

## Miles Kane

I wanna make your smoke and kisses  
black and white  
measure all your spinning whispers  
in the loose moonlight  
magic from your fingers tingles down my spine  
colour in-between the lines  
let it out, let it out, let it all out  
let it out, let it out, let it all out  
you rearrange my mind  
you rearrange my mind  
an uneasy feeling churns inside of me

i'll draw it on a wall for you all to see  
tryin' to find a diamond in an avalanche  
but you just haven't had the chance  
oh, let it out, let it out, let it all out  
let it out, let it out, let it all out  
you rearrange my mind  
you rearrange my mind  
let it out, let it out, let it all out  
let it out, let it out, let it all out  
you rearrange my mind  
you rearrange my mind
