Still Sane

Lorde

Today is my birthday, and I'm riding high
Hair is dripping, hiding that I'm terrified
But this is summer, playing dumber than in fall
Everything I say falls right back into everythingI'm not in the swing of things
But what I really mean is
Not in the swing of things yetRiding around on the bikes, we're still sane
I won't be her, tripping over on stage
Hey, it's all cool,
I still like hotels, but I think that'll change
Still like hotels, and my newfound fame
Hey, promise I can stay good
(Everything feels right) I'm little, but I'm coming for the crown
I'm little, but I'm coming for you (chase paper, get it)
I'm little but I'm coming for the title, held by everyone who's upAll work and no play
Never made me lose it
All business all day
Keeps me up a level
All work and no play
Keeps me on the new shit, yeahAll work and no play
Let me count the bruises
All business all day
Keeps me up a level
All work and no play
Lonely on the new shit Set yeah
YeahOnly bad people live to see
Their likeness set in stoneOnly bad people live to see
Their likeness set in stone
What does that make me?I'm not in the swing of things
But what I really mean is
Not in the swing of things yetI'm not in the swing of things
But what I really mean is
Not in the swing of things yetAll work and no play
Never made me lose it
All business all day
Keeps me up a level
All work and no play
Keeps me on the new shit, yeah
