

# Your Own Kind Of Beautiful

## Stooshe

You say they talk behind your back  
And now your confidence is gone  
Never let them see you cry  
Crack a smile and carry on Everybody wants to cut you up  
So you fit into a little box  
Ain't nobody's business but your own  
When you're trying work with what you got  
So let it go Shut up and don't keep putting yourself down (oh-hu-oh, oh-hu-oh, oh)  
Stand up and find your spotlight in the crowd (oh-hu-oh)  
You're a superstar  
Exactly how you are  
You don't have to try so hard (hey!)  
Speak up, remember you can have it all  
Just be your own kind of beautiful Why can't we appreciate  
Individuality  
Everyone feels they can rate  
In magazine society You can follow, or you can lead  
Which one would you rather be?  
No one made it there by playing safe  
We're going down in history  
So let it go Shut up and don't keep putting yourself down (oh-hu-oh, oh-hu-oh, oh)  
Stand up and find your spotlight in the crowd (oh-hu-oh)  
You're a superstar  
Exactly how you are  
You don't have to try so hard (hey!)  
Speak up, remember you can have it all  
Just be your own kind of beautiful Walk outside and it's a sunny day  
But in your eyes is like a hurricane  
You got to face it now or run away  
Let it rain, yeah I say, let it rain Shut up and don't keep putting yourself down (oh-hu-oh, oh-hu-oh, oh)  
Stand up and find your spotlight in the crowd (oh-hu-oh)  
You're a superstar  
Exactly how you are  
You don't have to try so hard (hey!)  
Speak up, remember you can have it all  
Just be your own kind of beautiful
