

# Clean (Livre) feat L'À'h Henry

## Taylor Swift

The drought was the very worst, ah ah  
When the flowers that we'd grown together died of thirst  
It was months, and months of back and forth, ah ah  
You're still all over me like a wine-stained dress I can't wear anymore  
Hung my head, as I lost the war, and the sky turned black like a perfect storm  
Rain came pouring down when I was drowning  
That's when I could finally breathe  
And by morning, gone was any trace of you, I think I am finally clean  
There was nothing left to do, ah ah  
When the butterflies turned to dust, they covered my whole room  
So I punched a hole in the roof, ah ah  
Let the flood carry away all my pictures of you  
The water filled my lungs, I screamed so loud but no one heard a thing  
Rain came pouring down when I was drowning  
That's when I could finally breathe  
And by morning, gone was any trace of you, I think I am finally clean  
I think I am finally clean, ah  
Said, I think I am finally clean, ah  
Ten months sober, I must admit  
Just because you're clean don't mean you don't miss it  
Ten months older I won't give in  
Now that I'm clean I'm never gonna risk it  
The drought was the very worst, ah ah  
When the flowers that we'd grown together died of thirst  
Rain came pouring down when I was drowning  
That's when I could finally breathe  
And by morning, gone was any trace of you, I think I am finally clean  
Rain came pouring down when I was drowning  
That's when I could finally breathe  
And by morning, gone was any trace of you, I think I am finally clean  
Finally clean, think I'm finally clean, ah ah  
Think I'm finally clean
