

Out of Your Mind

Victoria Beckham

Who do you think you are
Telling me I've gone too far
You must be out of your mind
Telling your friends I was bugging you
That you weren't playing true
Slipping out of your mind
Open your eyes
Boy you trouble me
Expensive lies
But you're playing for free I gave you what you want
What you need
My time is wasting
But for you it's a breeze [Chorus]
You're out of your mind
Gonna make this really easy
I'm out of my mind
Gonna show you I'm not crazy
Boy you're wasting my time
I'm not wasting your time
You're out of your mind
You're out of your mind
Out of your mind Thinking you were someone special
Time has shown and now I know
How wrong I have been
Always feeling
That you're using me
Confusing me
Two-timing me
I can't remember
How long has it been Open your eyes
Boy you trouble me
Expensive lies
But you're playing for free
I gave you what you want
What you need
My time is wasting
But for you it's a breeze [Chorus] You sing a song and people jump on you
What this guy is saying can't be true
All I'm saying is that some girls don't trip

Stop bugging and mugging if you want to flip
I like the Spice
Open your eyes
Girl you trouble me
Expensive lies
But you're playing for free
I gave you what you want
What you need
My time is wasting
But for you it's a breeze
[Chorus: x2] True Steppers, you're out of your mind
Ice Cream, you're out of your mind
10-Below, you're out of your mind
Dane, you're out of your mind
This tune's gonna punish you
