White Moth

Xavier Rudd

Tiny bones and skin, sand on your feet
These healthy children are fruits of the tree
Turquoise flotation on the Indian Sea
We can float together, you and me nowAnd we love you it's a beautiful day
Thank you for the journey to this new day where we've been
Gifted this island we've been gifted this day
And we're all here together on this beautiful dayFeel a daddy is taking his steps 1, 2, 3
While the other one keeps on amazing us by what he can see
To you're through broken shells a white moth comes
She gives herself to him 'cause he keeps you strongAnd we love you it's a beautiful day
Thank you for the journey to this new day where we've been
Gifted this island we've been gifted this day
And we're all here together on this beautiful dayAnd we love you it's a beautiful day
And we're all here together on this beautiful day
Well we love you it's a beautiful day
And we're all here together on this beautiful day
