

# Skyfall (from Skyfall)

Adele

This is the end  
Hold your breath and count to ten  
Feel the earth move and then  
Hear my heart burst again

For this is the end  
Iâ€™ve drowned and dreamt this moment  
So overdue I owe them  
Swept away, Iâ€™m stolen

Let the sky fall  
When it crumbles  
We will stand tall  
Face it all together

Let the sky fall  
When it crumbles  
We will stand tall  
Face it all together  
At skyfall  
At skyfall

Skyfall is where we start  
A thousand miles and poles apart  
Where worlds collide and days are dark  
You may have my number, you can take my name  
But youâ€™ll never have my heart

Let the sky fall  
When it crumbles  
We will stand tall  
Face it all together

Let the sky fall  
When it crumbles  
We will stand tall  
Face it all together  
At skyfall

Where you go I go

What you see I see  
I know Iâ€™d never be me  
Without the security  
Of your loving arms  
Keeping me from harm  
Put your hand in my hand  
And weâ€™ll stand

Let the sky fall  
When it crumbles  
We will stand tall  
Face it all together

Let the sky fall  
When it crumbles  
We will stand tall  
Face it all together  
At skyfall

Let the sky fall  
We will stand tall  
At skyfall
