Goin' Digital

The Alliance

2nd verse (girl)
well I'm about to go digital
yeah I'm about to turn this party out
I'm rich in this bitch and I'm feelin' good
used to be hood now I'm hollywood
brand new Benz i'm lookin good i'm ballin!
got these people eyein me
jimmy choo's on the feet
none these chicks can mess wit me
watch me drop down low to tha beat
rock my hips wave sip walk it out two step whas hannenin!?
poppin' bottles in the club everybody show me love
break that kush and roll it up
see my diamonds on my neck they get digital respect cus they shine and reflect
and my money you cant get i'm goin' digital
