

United Worldwide

Warzone

Together we stand true and strong.
Young and old we all belong.
A way of life in our hearts.
Held together can't be pulled apart. United Worldwide (x7)
In every country we don't believe.
Ain't no movement what it means.
Safely united in one human race.
Can't be divided if there's no hate. United Worldwide (x7)
CAN'T BE DIVIDED IF THERE IS NO HATE.
