Show And Tell

XO Stereo

Another day passes me by
But my feelings all remain
It's becoming much too hard to distinguish
All my pleasure from my painI can't even remember where it all went wrong
The only thing I know is that I don't belongNever walk away
Tell me if I'm wrong
Isn't that what we always agree'd on?Show me now
Is this real or is this fictional?
Somehow I'm suddenly mixed up again
Tell me how
What it means to be so cynical
Allow me to walk awayI do admit you've had to suffer
And you've also been let down
We wasted every second chanceWe've passed our time
Eyes wide open, now I see
Are we to the end?
This shouldn't be this easy.Never walk away
Tell me if I'm wrong this time
Isn't this what we agree'd on?Show me now
Is this real or is this fictional?
Somehow I'm suddenly mixed up again
Tell me how
What it means to be so cynical
Allow me to walk awaySo take my life
Take a second chance
These white lies
Are all I haveNever walk away
Tell me if I'm wrong this time
Every single day
You told me I was wrong
There's nothing left to say
I'm leaving all of this behind
I'll turn it off
I'm giving up on wasted timeShow me now
Is this real or is this fictional?
Somehow I'm suddenly mixed up again
Tell me how
What it means to be so cynical

Allow me to walk away
