So Pure to Me

Agnostic Front

The life we live, so pure to me
The strength we built through honesty
The life we live, so pure to me
The strength we built through honestyOur loyalty, we won't betray our roots so strong
Will never fade, we'll never betray thisLive for now, for yourself and your society
You promise to yourself to for something more
It's so pureThe life we live, so pure to me
The strength we built through honesty
Our loyalty we won't betray our roots so strong
Will never fade, they'll never fakeAh live this moving on past yesterday
The future's ours it's the time to find another way
Here right now my mind, my life, myself to show
It's so pureSo, pure to me through honesty
The life we live, so pure to me
The strength we built through honesty
Our loyalty we won't betray
Our roots so strong will never fade
