

# Into The Open Air

**Julie Fowlis**

This love, it is a distant star  
Guiding us home wherever we are  
This love, it is a burning sun  
Shining light on the things that we've done  
I tried to speak to you every day  
But each word we spoke  
The wind blew away  
Could these walls  
Come crumbling down?  
I want to feel  
My feet on the ground  
And leave behind  
This prison we share  
Step into the open air  
How did we let it come to this?

What we just tasted  
We somehow still miss  
How will it feel  
When this day is done,  
And can we keep  
What we've only begun?  
And now these walls  
Come crumbling down  
And I can feel  
My feet on the ground  
Can we carry this love that we share  
Into the open air?  
Into the open air,  
Into the open air,  
Into the open air,  
This love, it is a burning sun
