

# Life's A Dream

## Built To Spill

Miles 'til dawn  
But it feels so dark 'til then  
Drowns you out  
But you can't be too serene  
Calm at once  
When they fill me up with me  
Everybody  
In this world is just like me  
So I row on  
Sounds like fear  
Thinking that might be a cure  
Waste your life  
But you don't know what its worth  
Comb your mind  
For the treasures of this earth  
Too close to find  
Anything outside yourself  
So I row on  
Life ain't nothing  
But a dream  
Realistic as it seems  
Destiny's vulgar  
So I might as well resist  
Out of the darkness  
And all the secrets still exist  
Finally decided  
And by decide I mean accept  
I don't need all those  
Other chances I will get  
So I row on  
Life ain't nothing  
But a dream  
Realistic as it seems
