

Scatterbrain. (As Dead as Leaves.)

Radiohead

I'm walking out
In a force ten gale
Birds thrown around
Bullets for hailThe roof is pulling off
By its fingernails
Your voice is rapping
On my windowsillYesterday's headlines
Blown by the wind
Yesterday's people
End up scatterbrainThen any fool can
Easy pick a hole
I only wish I could fall in
A moving target
In a firing rangeSomewhere I'm not
Scatterbrain
Somewhere I'm not
ScatterbrainLightning fuse, power cut
Scatterbrain
