

# Skin (Sarah Beth)

## Rascal Flatts

Sara Beth is scared to death  
To hear what the doctor will say  
She hasn't been well, since the day that she fell  
And the bruise it just won't go away So she sits and she waits with her mother and dad  
And flips through an old magazine  
Till the nurse with the smile stands at the door  
And says will you please come with me Sara Beth is scared to death  
'Cause the doctor just told her the news  
Between the red cells and white, something's not right  
But we're gonna take care of you Six chances in ten, it won't come back again  
With the therapy we're gonna try  
It's just been approved, it's the strongest there is  
And I think that we caught it in time  
And Sara Beth closes her eyes. She dreams she's dancing  
Around and around without any cares  
And her very first love is holding her close  
And a soft wind is blowing her hair Sara Beth is scared to death  
As she sits holding her mom  
'Cause it would be a mistake for someone to take  
A girl with no hair to the prom For just this morning, right there on her pillow  
Was the cruelest of any surprise  
And she cried when she gathered it all in her hands  
The proof that she couldn't deny  
And Sara Beth closes her eyes And she dreams she's dancing  
Around and around without any cares  
And her very first love is holding her close  
And a soft wind is blowing her hair It's quarter to seven, that boy's at the door  
And her daddy ushers him in  
And when he takes off his cap  
They all start to cry  
'Cause this morning where his hair had been  
Softly she touches just skin And they go dancing, around and around  
Without any cares  
And her very first true love is holding her close  
And for a moment she isn't scared
