

# Miss You Most (at Christmas Time)

[Mariah Carey](#)

The fire is burning, the room's all aglow  
Outside the December wind blows  
Away in the distance  
The carolers sing in the snow  
Everybody's laughing  
The world is celebrating  
And everyone's so happy  
Except for me tonight  
Because I miss you most at Christmas time  
And I can't get you, get you off my mind  
Every other season comes along and I'm all right  
But then I miss you, most at Christmas time  
I gaze out the window this cold winter's night  
At all of the twinkling lights  
Alone in the darkness  
Remembering when you were mine  
Everybody's smiling  
The whole world is rejoicing  
And everyone's embracing  
Except for you and I  
Baby I miss you most at Christmas time  
And I can't get you, no, no, no, no, get you off my mind  
Every other season comes along and I'm all right  
But then I miss you, most at Christmas time  
In the springtime those memories start to fade with the April rain  
Through the summer days till autumn's leaves are gone  
I get by without you till the snow begins to fall  
And then I miss you most at Christmas time  
And I can't get you, no, no, no, no, get you off my mind  
Every other season comes along and I'm all right  
But then I miss you, most at Christmas time
