Pioneers

Claire

Shadows be gone
Let us be young some more
You cast a lie on something we knew before
That lost unto loads
Who can't create everything new
Nobody told us to go out and just moveGather the stars, gather the stars now
They'll be gone sooner or later
GATHER THE STARS NOW
They'll be goneWe started with nothing and the walls are coming down now
Maybe someday I'll show you what we were about
Old habits heavy on our hearts
You better leave them behindGATHER THE STARS, GATHER THE STARS
GATHER THE STARS, GATHER THE STARS NOW
Gather the stars, gather the stars now
They'll be gone sooner or later
GATHER THE STARS NOW
They'll be gone
