Advisory - the following lyrics contain explicit language:

Goddamn you got a lot of meat hangin' there
You're kinda large
But when I look at a big, shiny, greasy dick like that (Yeah)
My pussy almost jump out my drawers oh shit
Oh shit I can't wait
Oh I wanna destroy that motherfucker (Oh)
Oh please let me enjoy this good big dick while it's here (Oh my God)
Oh I wanna ride this big pig
Oh I wanna put the dogs on the head of this good motherfucker
Oh now look at here baby
If the jaws of my pussy start to grippin' (Mhm)
Don't pay that no mind, it's just that my pussy done got nervous
And a dick like that will make any pussy excited
Oh shit, I could take a little bit more of this good motherfucker
Baby, oh (oh, oh, oh sh)
