Your Face

The Lake Poets

I never want to go away again
I just can't face one more goodbye
I need more pills and drink to kill the pain
It hurts to much each time you cryOut here I try my best to occupy
My mind with things that I should do
but in my heart and soul I recognize
there's nothing I want more than youwhen I see your face
I feel my heart exploding
an empty space of my contempt and loathing
has been replaced, with a keen sense of knowing
when I see your face
when I see your faceI miss you so much I can't think straight
I miss you so much I can't sleep
when i get home I'm never leaving again
I'm yours and I'll be yours to keepwhen I see your face
I feel my heart exploding
an empty space of my contempt and loathing
has been replaced, with a keen sense of knowingwhen I see your face
I feel my heart exploding
an empty space of my contempt and loathing
has been replaced, with a keen sense of knowing
when I see your face
when I see your face
when I see your face
when I see your face
when I see your face
