Faithful

Eric Moore Feat. Isaac Carree

Broken

Trying to do it on my own  
Wondering where I'm doing wrong  
Falling on my face  
And making the same mistakes  
How can everything go so wrong?

It's taken time to receive  
That this move is teaching me to believe  
That You were there  
And You would care  
And You'd never give up on me

That's when I lay me down  
Pouring my heart out, yeah  
I hear Your voice crying out that

He who began the work in me  
He's faithful, He's faithful

He takes the old and makes it new  
He's faithful

"I got my brother that's going to sing the second verse  
Come on I"

Regardless of where we've been  
His love for you knows no end  
Dripping from the cross  
When we were lost  
Speaking in our defense

Regardless of where we've been  
His love for us knows no end  
Dripping from the cross  
When we were lost

Speaking in our defense

So we lay down  
And pour our hearts out  
Lord, we receive Your word

He who began the work in me  
He's faithful, He's faithful

He takes the old and makes it new  
He's faithful  
My God is faithful

Holy, holy are You Lord God Almighty  
Worthy, worthy we sing Lord God Almighty

Holy, holy are You Lord God Almighty  
Lord You are worthy, worthy  
We sing Lord God Almighty

He who began the work in me  
He's faithful, He's faithful

He takes the old and makes it new  
He's faithful  
My God is faithful

Holy, holy are You Lord God Almighty  
Worthy, worthy we sing Lord God Almighty

Holy, holy are You Lord God Almighty  
Lord You are worthy, worthy  
We sing Lord God Almighty

Holy, holy, holy  
Holy, holy, holy  
(Are You Lord God Almighty)  
Worthy, worthy, worthy  
Worthy, worthy, worthy  
(We sing Lord God Almighty)

He who began the work in you  
He's faithful  
Anybody know He's faithful

He takes the old and makes it new

He's faithful  
My God is faithful

Holy, holy are You Lord God Almighty  
Lord You are worthy, worthy  
We sing Lord God Almighty

Holy, holy, holy  
Holy, holy, holy  
(Are You Lord God Almighty)  
Worthy, worthy, worthy  
Worthy, worthy, worthy  
(We sing Lord God Almighty)
