

Ball Cap

[Dylan Scott](#)

Baby got a ball cap on, sure knows how to pull it off
Sun out of them hazel eyes, looking so good when she don't try

It was just an old worn out hat, I always wore turned back
Man, I couldn't help but laugh when she took it away from me
She don't know a thing about the Braves, she could care less about the game
But if you saw her right now you'd think, it never belonged to me

Baby got a ball cap on, sure knows how to pull it off
Sun out of them hazel eyes, looking so good when she don't try
Acting like it's no big deal, smiling underneath that bill
Looking so right it's wrong, baby got a ball cap on
Yeah, got a ball cap on

It's seen a lot of crazy nights, got a barbwire tear down the side
Yeah, I wear it all the time, but it's never been worn like that

Baby's got a ball cap on, sure knows how to pull it off
Sun out of them hazel eyes, looking so good when she don't try
Acting like it's no big deal, smiling underneath that bill
Looking so right it's wrong, baby got a ball cap on
Yeah, got a ball cap on

Gotta love her when she's in a dress, always looking her best,
But I tell you what I can't resist

Baby's got a ball cap on, sure knows how to pull it off
Sun out of them hazel eyes, looking so good when she don't try
Acting like it's no big deal, smiling underneath that bill
Looking so right it's wrong, baby got a ball cap on
Yeah, got my ball cap on
