There She Goes

Babyface

There's something about her
You know, it's the way that she carries herself
She's just so bad
Ooh, I don't know
Her style, her mind
Compares to nothing on this earth
She's not the kind to share
Only God knows what she's worth
I got to show her that I want her
I recognize that she is bad
If I can't have her then I'll go crazy
Spending all my time just chasing
I got to show her that I want her
I recognize that she is bad
If I can't have her then I'll go crazy
Spending all my time just chasing
Her eyes, her smile, her skin, her smell, her hair
She's incredible baby, ooh
Her walk, her talk, her way her [Incomprehensible]
There she goes
I hope to find her there
Gotta make some eye contact
She's not the kind to stare
Move quick or lose her fast
I got to show her that I want her
I recognize that she is bad
If I can't have her then I'll go crazy
Spending all my time just chasing
I got to show her that I want her
I recognize that she is bad
If I can't have her then I'll go crazy
Spending all my time just chasing
Her eyes, her smile, her skin, her smell, her hair
Ooh baby, she's incredible baby
Her walk, her talk, her way, her [Incomprehensible]
There she goes
Her eyes, her smile her skin, her smell, her hair
You're incredible baby
Her walk, her talk her way her [Incomprehensible]

There she goes, there she goes, come on
Spending all my time watching that girl go dance
Gotta love her when she moves
Spending all my time watching that girl go dance
Gotta love her when she moves
Her eyes, her smile, her skin, her smell, her hair
She's incredible
Her walk, her talk, her way her [Incomprehensible]
There she goes
Her eyes, her smile, her skin, her smell, her hair
Ooh baby, you're incredible baby
Her walk, her talk, her way her [Incomprehensible]
There she goes
Her eyes, her smile, her skin, her smell, her hair
Ooh baby, yeah
Her walk, her talk, her way her [Incomprehensible]
There she goes
Spending all my time watching that girl go dance
Gotta love her when she moves
Spending all my time watching that girl go
Gotta love her when she moves
I got to show her that I want her
Spending all my time watching that girl go
If I can't have her then I'll go crazy
Gotta love her when she moves
I got to show her that I want her
Spending all my time watching that girl go
If I can't have her then I'll go crazy
Gotta love her when she moves
I got to show her that I want her
If I can't have her then I'll go crazy
