New World In The Morning

Roger Whittaker

Everybody talks about a new world in the morning. A new world in the morning so they say.
I, myself don't talk about a new world in the morning. A new world in the morning, that's today.
And I can feel a new tomorrow comin' on.
And I don't know why I have to make a song. Everybody talks a bout a new world in the morning. New world in the morning takes so long.
I met a man who had a dream he had since he was twenty. I met that man when he was eighty-one. He said too many

people just stand and wait up til the mornin', Don't they know tomorrow never comes.
And he would feel a new tomorrow coming on. And when he'd smile his eyes would twinkle up in thought.
Everybody talks about a new world in the morning. New world in the morning never comes.
And I can feel a new tomorrow coming on.
And I don't know why I have to make a song. Everybody talks about a new world in the morning. New world in the morning takes so long.
