

# For One Night Only

## Bodyrockers

K, it's great  
We've got a special outfit here for you tonight  
I just want you to relax, sit back  
Carry on with this in the correct manner  
That's what I'm talking about Let's hear it  
Let's have a big round of applause  
And raise your voice and salutation  
As we welcome to the stage for one night only, tonight  
The BodyRockers
