I Found You First

[Lil' Eddie](#)

Through the night, in the crowd
Like a knight, you stood out gleaming,
Bright
Was your style
Saw your smile
So I made my way over to you
So coniving
Wanted you to turn me out
So I bumped into you to turn around
So exciting, you couldn't hide
I could tell
I felt it did some h-h-howIn the blink, blink of an eye
I turned my back and you were gone, baby
Just like a theif, a theif of the night
Stole my heart, right here on the dancefloor
I-I-I don't care if you just met someone else, I found you first
He-He-He might be sexy, but you're mine, oh well
Tell her I found you first
T-T-T-Tell her I found you firstThere you go, watch me run
I'm a have to break you two up
From having fun, 'cause I wasn't done
And besides, for tonight, he's taken
Living reckless, wanna see you shirtless
Yes, come on make me sweat, I look better wet
No defenses, possibilities endless
Can't let you out of my sight
Cause tonight is my turn[?]In the blink, blink of an eye
I turned my back and you were gone, baby
Just like a theif, a theif of the night
Stole my heart, right here on the dancefloor
I-I-I don't care if you just met someone else, I found you first
He-He-He might be sexy, but you're mine, oh well
Tell her I found you firstSorry ladies, but the final dance is taken
He had you mistaken (Uh Oh, Uh oh oh)
Guess he just forgot to mention I'm his lady
Babe, for tonight [?]In the blink, blink of an eye
I turned my back and you were gone, baby
Just like a theif, a theif of the night
Stole my heart, right here on the dancefloor

I-I-I don't care if you just met someone else, I found you first
He-He-He might be sexy, but you're mine, oh well
Tell her I found you first
Tell her I found you first
Tell her I found you first
Tell her I found you first
Tell her I found you first
