

Like Me

2 Chainz

Hook: The Weekend

Its kind of just the love...

Don't make me make you fall in love

Dont make me make you fall in love with a nigga like me, like me

[x2]

Its kind of just the love...

Ur not just another bird.

Dont make me make you fall in love with a nigga like me, like me

2 Chainz

They aint ever seen a nigga like me ah

She ain't ever seen a nigga like me ah

Chance of that is unlikely

Two chains on my white tee

I wipe her down and then I pipe her down

I give my girl money to go out of town

You give your girl to go Nike town

And I one night her you must like her

Kill niggas with one liners

All I need is one lighter

Countin so much money

I got arthritis

So cold I frost bite em

No pig latin but I hog tied em

And she get this [busy?] then I (make ya fall in love)

With a nigga like me Im killing this beat

Skeet skeet skeet skeet get on my sheet

On top or from the back I thundercat like hoe

My girl got a big purse with a purse in it

And her p**sy so clean I can go to church in it

Oh Lord, OMG I am the O-N-E

How you like me now its cool but she want more D

Mo at by the fire place

This is how desire taste

And Im bout to buy a case

Leggo
