Blasting through your earsAs we break it down
To the nitty gritty groove
The bits and the beats
An electric boogaloo
Yes it is rocking
The loop is always cool
It never went away
Just check out my movesAccess from the very best
On the decks yet
The wonder boys gonna
Get you more erect

Blasting through your earsWe grew up from the sounds
Our ghetto blaster was huge
We're from the underground
Of the city and the loose
We're the baddest mistakes
You meeting out there and cool
Banging and scheming
Trying to trash schoolAccess from the very best
On the decks yet
The wonder boys gonna
Get you more erect
Access from the very best
On the decks yet
The wonder boys gonna
Get you more erect
Access from the very best
On the decks yet
