Locomotion

Debbie Gibson

Everybody's doin' a brand new dance now
Come on baby do the locomotion
I know you'll get to like it if you give it a chance now
Come on baby do the locomotionMy little baby sister can do it with ease
It's easier than learning your ABC's
So come on, come on do the locomotion with meYou gotta swing your hips now
Come on baby, a jump up, jump back
Oh well, I think you've got the knack, oh, ohNow that you can do it, let's make a chain now
Come on baby do the locomotion
A-chug-a-chug a motion like a railroad train now
Come on baby do the locomotionDo it nice and easy now and don't lose control
A little bit of rhythm and a lot of soul
So come on, come on do the locomotion with meA yeah, yeah, yeah
Come on baby, jump up, jump back
You know, I think you've got the knack, yeah, yeahMove around the floor in a locomotion, let me hear ya
Come on baby do the locomotion
Let's do holdin' hands if you get the notion
Come on baby do the locomotionThere's never been a dance that's so easy to do
It even makes you happy when you're feeling blue
So come on, come on do the locomotion with meCome on do the locomotion, come on do the locomotion
Come on do the locomotion, come on do the locomotion
Come on do the locomotion, come on do the locomotion
Come on do the locomotion, come on do the locomotion
Come on, come on do the locomotion in my living room
