Need You Tonite (Fisher Preyes Remix)

INXS

Hey, here is the story
Forget about the troubles in life
Don't you know, it's not easy
When you gotta walk upon that lineThat's why
You need
That's why
This is what you need, I'll give you what you needDon't you get sad and lonely
You need a change from what you do all day
Ain't no sense in all your crying
Pick it up and throw it into shapeThat's why you need, oh that's why
This is what you need, I'll give you what you need
This is what you need, I'll give you what you need
This is what you need, I'll give you what you need
I'll give you what you need
