

Albert Goes West

Nick Cave & The Bad Seeds

Albert, he goes west
He crosses the vast indifferent deserts of Arizona, oh yeah
He had a psychotic episode on a dude ranch
That involved a bottle of ammonia
Henry, he went south and lost his way
Deep in the weeping forests of Le Vulva
He grew so wan, he grew so sick
He ended up in a bungalow sucking a revolver
Even the light up on your rainy streets offers many reflections
I won't be held responsible for my actions
Bobby, he goes north then he goes east
Then over to New Hampshire
Bobby is a cautious man
He walked into a Concord dive to drink a beer
Do you wanna dance?
Yeah, do you wanna move?
Yeah, do you wanna dance?

Do you wanna groove?
I said this world is full of endless abstractions
I won't be held responsible for my actions
Me, I ain't going anywhere
Just sit and watch the sun come up, I like it here, oh yeah
I watch the people go ticking past
Go hey, hey, hey, you know, I gotta say I like it here
Alright
Sha, la, la, la, sha, la, la, la
Sha, la, la, la, la, la, la, la, la, la
Sha, la, la, la, sha, la, la, la
Sha, la, la, la, la, la, la, la, la, la, la
Sha, la, la, la, sha, la, la, la
Sha, la, la, la, la, la, la, la, la, la
Sha, la, la, la, sha, la, la, la
Sha, la, la, la, la, la, la, la, la, la
