

# I Do

## Boyz II Men

yeah, yeah, yeah,

Im tellin' the world, here and now  
that im going to love you and love you, i take this vow  
you captured my heart, so long ago.  
still there are some critical good things, that you should know

Do i give all i am, to be now and forever your man  
do i take you to be, without question the woman for me  
do i promise you, I Do  
do i promise you ,I Do, I Do

Love has been worth waititng for (worth waititng for), cause love doesn't matter to me  
if its not yours.

As we become one, through and through.  
I deciate all my life, to lovin you, yeah, yeah, yeah

Do I give all I am, to be now and forever your man  
Do I take you to be, without question the woman for me  
Do I promise you, I Do  
Do I promise you, I Do, I Do

To have and to hold, while passions unfold  
I promise a life you wont regret  
For better or worse, no one can reverse  
The way that i felt, since we met, and you aint seen nothing yet

Girl do i give all I am, to be now and forever your man  
Do I take you to be without question the woman for me  
Do I swear on my life we'll be happy as husband and wife  
Do I promise you, (promise)  
Do I promise you, (promise you baby)  
Do I promise you, I do  
Do I promise you, I do!  
I do, I do, I do, I do (I'm telling, telling, telling, I'm telling the world!)  
I do, I do, I do, I do Yeah Yeah Yeah (Do I!)  
OOOOOooooooh, OOOOOooooooh  
I do (baby) going to marry, wanna make you my wife
