

Kjenn din fiende

Helheim

Et ritus i smerte et ritus i blod
Metall mot kjtt alt blir ddt
Et slakt i Hov et offer av blot
Metall mot kjtt alt blir ddtEn flukt fra livet en reise uten tid
Mot ddens grder grimme, skarpe klrNok et slakt av en avmaktKjenn din fiende lr han kjenne
Det fles befriende og se den avmakt brenne[English translation:]A rite in pain a rite in blood
Metal against flesh everything turns out dead
A slaughter in Hov a victim of sacrifice
Metal against flesh everything turns out deadAn escape from life a journey without time
Towards the crops of death grim, sharp clawsAnother slaughter of an impotenceKnow your enemy
learn to know him
It feels liberating to see the
impotence burn
