

Helpless

Manhattan Transfer

Every day I walk some lonely street
Searchin' 'til you come back to me
People around just stop and stare
As if they know the hurt I bear
And suddenly I realize
I'm cryin' cryin' cryin' cryin'"Cause I'm in a helpless situation
And I need some consolation
'Cause my mind is in a confusion
And my heart feels much confusion
Since you've been gone it keeps me cryin' cryin' cryin' cryin'In the shelter of your love my strength I found
But now I'm useless, since you're not around
I'm helplessOh I'm helpless
Since I lost your love
Helpless
'Cause now I need your love
I never needed no one before
But now I need you more and more
Ever since you've been gone it keeps me cryin' cryin' cryin' cryin'I'm helpless 'til you come back to me
Helpless in this world of grieve
I need your words of confidence
I need those happy times we spent
I'm in a hopeless feel confusion
And your love is your solutionIt's my fault
And I won't search for you no longer
As I go home alone
Needing you to stopI'm in a helpless situation
And I need some consolation
And my mind is in a confusion
And I'm having these strange illusions
Loneliness deep inside keeps me cryin' cryin' cryin' cryin'In a helpless situation
And I need your consolation
And I'm having these strange illusions
