Our Distance (feat. Russ Rankin of Good Riddance)

Comeback Kid

I want to see you here with me
And I want to tell you what you mean to me
But I'll save this, I'll save my breath this time
I think it's almost useless
We both know, we both saw the signs
Still I am asking whyI think I'm falling
I think I'm falling inside
So is this story over or has it just begun
You can only wonder and we can only wonder
These days have been too much
I hate being stuck in the in-betweenMeans to an end
Me taking your hand and moving us ahead
I wish that it could last 'cause I still feel our past
Will we ever feel this way again
Means to and endClose my eyes and I'll be dreaming away
If things were different I'd be able to say
I'm still here re-thinking my decisions
Our distance, separation
But I'm still here
But I'm still here
