In The Colors

Ben Harper

When your whole world is shaken
From all the risks we have taken
Dance with me dance with me into the colors
Of the dusk

When you have awoken
From all the dreams broken
Come and dance with me
Dance with me into the colors
Of the dusk
Dance with me into the colors
Of the dusk

The paths we're walking on
They crumble behind us
But if we leave now
They will never
They will never find us

And if this crazy world spins itself
Down to dust
I want to be with you
I'm gonna be with you
In the colors

When you again start hoping
With your arms wide open
Come on, dance with me
Oh, dance with me
Into the colors of the dusk

And all will be right
Will be right
Dancing like water with the light
Oh, dance with me
Dance with me
Into the colors of the dusk
Oh, dance with me into the colors
Of the dusk
Dance with me

Into the colors of the dusk
