

Break My Back

[Chanel Cole](#)

I am obliged to believe
It's all in vain
Break my back for you everyday
It's all insane Break my back
You pledge your innocence to me I am obsessed with a thought
Won't go away
Never get a chance to enjoy
I know my place Break my back
You pledge your innocence to me I had a feeling I was right
I won't give up without a fight
I had a feeling I was right
Now we know how things has got to be Am I supposed to accept another lie
Have to be prepared when I give you my reply Break my back
You pledge your innocence to me I take the words that I still hear and throw'em in your face
