All the underdogs in the world  
A day may come when we lose  
But it is not today  
Today we fight!  
No not today  
Some day, the flowers will wither  
But no not today  
But today's not the day  
No no not today  
It's too early to die  
too good day  
No no not today  
no no no not today  
Yea, we are extra  
But still part of this world  
EXTRA + ORDINARY  
That's not even that special  
Today we'll never die  
The light will pierce through the darkness  
You want a new world too  
Oh baby yes I want it  
If you can't fly, run  
Today we will survive  
If you can't run, walk  
Today we will survive  
If you can't walk, crawl  
Even if you have to crawl, gear up  
Point, aim, shoot!  
Not not today! Not not today!  
Hey tiny eyes, hands up  
Hey friends, hands up  
Hey, if you trust me, hands up  
Point, aim, shoot!  
We won't die, don't ask  
Scream, not not today  
Don't kneel, we won't cry  
Hands up, Not not today  
Hey Not not today  
Hey Not not today  
Hey Not not today

Point, aim, shoot!  
Too hot, success doublin'  
Too hot, somersaulting on the charts  
Too high, we on trampoline  
Too high, someone stop us  
We couldn't fail  
Because we believed in each other  
What you say yeah  
Not today yeah  
We won't die today yeah  
Trust me, who is next to you  
Together we won't die  
I trust you, who is next to me  
Together we won't die  
We believe in the word, together  
We believe that we're Bangtan  
Point, aim, shoot!  
Not not today! Not not today!  
Hey tiny eyes, hands up  
Hey friends, hands up  
Hey, if you trust me, hands up  
Point, aim, shoot!  
We won't die, don't ask  
Scream, not not today  
Don't kneel, we won't cry  
Hands up, Not not today  
Hey Not not today  
Hey Not not today  
Hey Not not today  
Point, aim, shoot!  
Throw it up! Throw it up!  
Throw away the fear in your eyes  
Break it up! Break it up!  
Break the glass ceiling that traps you  
Turn it up! (Turn it up!)  
Burn it up! (Burn it up!)  
Till the day of victory (fight!)  
Don't kneel, don't break down  
That's (Do) not today!  
Not not today! Not not today!  
Hey tiny eyes, hands up  
Hey friends, hands up  
Hey, if you trust me, hands up  
Point, aim, shoot!  
We won't die, don't ask

Scream, not not today  
Don't kneel, we won't cry  
Hands up, Not not today  
Hey Not not today  
Hey Not not today  
Hey Not not today  
Point, aim, shoot!
