

# Every Little Thing

## Dishwalla

Let me in  
to see you in the morning light  
to get me on and all along the tears they come  
see all come  
I want you to believe in life  
but I get the strangest feeling that you've gone away  
will you find out who you are too late to change?  
I wish I could be  
every little thing you wanted  
all the time  
I wish I could be  
every little thing you wanted  
all the time  
some times

lift me up  
just lift me up don't make a sound  
and let me hold you up before you hit the Ground  
see all come  
you say your all right  
but I get the strangest feeling  
that you've gone away- you've gone away  
and will you find out who you are too late to change?

I wish I could be  
every little thing you wanted  
all the time  
I wish I could be  
every little thing you wanted  
all the time  
some times

Don't give me up  
don't give me up tonight  
or soon nothing will be right at all  
salvation  
will you find out who you are too late to change?

I wish I could be  
every little thing you wanted
