

Wild Fire

DOROTHY

Wild Fire, Wild, Wild, Wild, Wild
Black magic, no lie,
Smoother woman, coldest smile
Wild Fire, Wild, Wild, Wild, Wild
Bad mamma, poor child, sin fever running wild
Wild Fire, Wild, Wild, Wild, Wild Lord she's the end of days and there's hell to pay
She's a Wild Fire, Wild Fire
Lord we don't masquerade
She got your number baby
She's a Wild Fire, Wild Fire
Wild Fire, Wild, Wild, Wild, Wild Oh Fury, Oh my
No stopping this devil inside
(Wild Fire, Wild, Wild) Devil Inside
Wild Fire, Wild, Wild, Wild, Wild Lord she's the end of days and there's hell to pay
She's a Wild Fire, Wild Fire
Lord we don't masquerade
She got your number baby
She's a Wild Fire, Wild Fire
Wild, Wild, Wild Wild, Wild, Wild
She's a Wild Fire, Wild Fire
She's a Wild Fire, Wild Fire
