

Sexed Up

Robbie Williams

Loose lips sunk ships
I'm getting to grips
With what you said
No it's not in my head
I can't awaken the dead
Day after day Why don't we talk about it
Why do you always doubt
That there could be a better way
It doesn't make me want to stay Why don't we break up
There's nothing left to say
I got my eye shut
Praying they won't stray
Oh! We're not sexed up
That's what makes the difference today
I hope you blow away You said we're fatally flawed
When I'm easily bored
Is that okay?
Write me off your list
Make this the last kiss
I'll walk away Why don't we talk about it
I'm only here Don't shout it
Given time we'll forget
Let's pretend we never met Why don't we break up
There's nothing left to say
I got my eye shut
Praying they won't stray
Oh! We're not sexed up
That's what makes the difference today
I hope you blow away Screw you I didn't like your taste
Anyway, I chose you
And that's all gone to waste
It's Saturday, I'll go out
And find another you Why don't we break up
There's nothing left to say
I got my eye shut praying they won't stray
And we're not sexed up
That's what makes the difference today I hope you blow away
I hope you blow away
I hope you blow away

I hope you blow away
I hope you blow away
Away
Blow away
