Brave New Girl

Brave New Girl

She's gonna pack her bags
She's gonna find her way
She's gonna get right out of this
She don't want New York
She don't want L.A.
She's gonna find that special kissShe don't want no sleep
She don't want no high
Oh, like peaches 'n' cream
She's gonna wish on stars and touch the sky
Ah, you know what I meanShe wants a good time
No need to rewind
She needs to really really find
What she wants
She lands on both feet
Won't take a back seat
There's a brave new girl
And she's comin' out tonightShe's gonna step outside
Uncover her eyes
Who knew she could feel so alive
Her M.O.'s changed
She don't wanna behave
Ain't it good to be a brave girl tonightTonight, it's alright
A brave girl tonightSo she met this man
He was kinda rough
He said, "Girl, whatcha lookin' for?"
She said, "I don't know"
"I go with the flow"He said, "Let's get on the floor"
He said, "You look real cute with your low ride jeans"
"And your pink little baby tee"
"Let's get a room, girl"
"Come and ride with me"She wants a good time
No need to rewind
She needs to really really find
What she wants
She lands on both feet
Won't take a back seat
There's a brave new girl
And she's comin' out tonightShe's gonna step outside
Uncover her eyes

Who knew she could feel so alive
Her M.O.'s changed
She don't wanna behave
Ain't it good to be a brave girl tonight
Tonight, it's alright
A brave girl tonight
Tonight, it's alright
A brave girl tonightShe could feel so aliveShe's gonna step outside
Uncover her eyes
Who knew she could feel so alive
Her M.O.'s changed
She don't wanna behave
Ain't it good to be a brave girl tonight
Tonight it's alright
A brave girl tonightTonight, it's alright
A brave girl tonight
A brave girl tonight
A brave girl tonight
A brave girl tonight
A brave girl tonight
