The 1975

Keep your voice down
Stop looking at my friends
Go out, they can hear exactly what you sayDrink before spew, telephone you
If you're alone in your room,
What's that boy doing?Head. Cars & Bending
Head. Cars & BendingCan we go now? Not staying till the end
Fall down; write another song about your friends
Lock me in, knock me out, talking like you do
And if you think you're helping me,
Don't think I'm helping youDrink before spew, telephone you
If you're alone in your room,
What's that boy doing?Head. Cars & Bending
Head. Cars & Bending
