Love Goes Down

[Plan B](#)

I remember when I was young
And so were you
All of the things we both said
That we'd never doBut look at how times have changed, baby
You know I
I can never say, no, baby
I can only show you howMy love goes down
My love goes down, down, down
Yeah baby
Sweep your feet right off the groundYeah mama
I've got that real love for you now
Yeah baby
No, I got that real love for you nowI remember when I did you wrong
Made you cry
Made you feel so sad
I knew I had to apologizeSo I pulled you close, baby
And I laid you down on the bed
Took off your clothes, baby
Girl, you know the restMy love goes down
My love goes down, down, down
Yeah baby
Sweep your feet right off the groundYeah mama
I got that real love for you now
Yeah baby
No, I got that real love for you nowBaby, can't you see?
You're the only one for me
Girl, you know it's true
I'm the only one for you, tooLove goes down,
Oh girl, my love goes down, down, down
Yeah baby
Sweep your feet right off the groundYeah mama
I got that real love for you now
Yeah baby
No, I got that real love for you now
