The Catalyst (featuring Basim Darwish)

Linkin Park

God bless us everyone
We're a broken people living under loaded gun
And it can't be outfought
It can't be outdone
It can't outmatched
It can't be outrun
NoGod bless us everyone
We're a broken people living under loaded gun
And it can't be outfought
It can't be outdone
It can't out matched
It can't be outrun
NoAnd when I close my eyes tonight
To symphonies of blinding light
(God bless us everyone
We're a broken people living under loaded gun, oh)
Like memories in cold decay
Transmissions echoing away
Far from the world of you and I
Where oceans bleed into the skyGod save us everyone,
Will we burn inside the fires of a thousand suns?
For the sins of our hand
The sins of our tongue
The sins of our father
The sins of our young
NoGod save us everyone,
Will we burn inside the fires of a thousand suns?
For the sins of our hand
The sins of our tongue
The sins of our father
The sins of our young
NoAnd when I close my eyes tonight
To symphonies of blinding light
(God save us everyone,
Will we burn inside the fires of a thousand suns, oh)
Like memories in cold decay
Transmissions echoing away
Far from the world of you and I
Where oceans bleed into the skyLike memories in cold decay

Transmissions echoing away
Far from the world of you and I
Where oceans bleed into the skyLift me up
Let me go
Lift me up
Let me go
Lift me up
Let me go
Lift me up
Let me go
Lift me up
Let me go
Lift me up
Let me go
Lift me up
Let me go
Lift me up
Let me go
Lift me up
Let me go
Lift me up
Let me goGod bless us everyone
We're a broken people living under loaded gun
And it can't be outfought
It can't be outdone
It can't out matched
It can't be outrun
NoGod bless us everyone
We're a broken people living under loaded gun
And it can't be outfought
It can't be outdone
It can't out matched
It can't be outrun
