

# Move With The Motion

## Theodis Ealey

hey yall this is theodis the stand up in it man you remeber  
the song i sang about the little old lady told me what women  
really want well one night i decided i'd try what that little old  
lady told me and this is wat happend that girl just layed there  
like a stomp on a log (o she did) she was moving and a grooving  
like she want it all she was moving and a rub not to slow and not to  
slow and not to fast she use what her momma gave oh-yea made  
me holla work it baby ha

she was moving with the motion  
she was rollin with tha flow  
she was moving with the motion  
she made me stand up in it for  
show oh-oh

she was rolling and a rumling she put some rice in that gumbo  
she stired it up good she work like rubber not like wood she  
did it to me she could move that body like waves in the water  
she had what it takes she work that body like a snake she  
did it to me

she was moving with the motion  
oh-yall she was rolling with the flow  
she was moving with the motion  
she made me stand up in it for  
show oh-oh

she was moving with the motion  
oh-that girl dont you know  
she was rolling with the flow (yes she was)  
she was moving with the motion  
she made me stand uo in it for show  
oh-yea yea yea

yea girl that \*\*\*\*\* i tell you i never had that much fun before  
in my life boy that girl was workin that thang oh she was doing it  
to me twisting sn-snapping biting twisting and tugging but

she move with the motion (oh she did ha)  
she was rolling with the flow (oh girl-that girl)

she was moving with the motionshe made me  
stand up in it for show oh-oh oh oh

REPEAT CHORUS
