Baby I Need Your Loving

Human Nature

Baby, I need your loving Baby, I need your lovingAlthough you're never near Your voice I often hear Another day, another night I long to hold you tight 'Cause I'm so lonelyBaby, I need your loving Got to have all your loving Baby, I need your loving Got to have all your lovingSome say it's a sign of weakness For a man to beg Then weak I'd rather be If it means having you to keep 'Cause lately I been losing sleepBaby, I need your loving Got to have all your loving Baby, I need your loving Got to have all your lovingEmpty nights echo your name Sometimes I wonder Will I ever be the same? Oh yeahWhen you see me smile You know things has gotten worse Any smile you might see Has all been rehearsedDarling, I can't go on without you This emptiness won't let me live without you This loneliness inside me, darling Makes me feel half aliveBaby, I need your loving Got to have all your loving Baby, I need your loving Got to have all your loving Baby, I need your loving Got to have all your loving
