

Genie 2.0

Christina Aguilera

I feel like I've been locked up tight
A century of lonely nights
Waiting, waiting for someone
You're licking your lips
And blowing kisses my way
That don't mean I'm gonna give it away
Baby, oh baby
If you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle
You gotta rub me the right way
The music's playin'
And the lights down low
One more dance and then we're good to go
Waitin', waitin' for someone
My hormones racin' at the speed of light
But that don't mean it's gotta be tonight
Baby, ooh baby
If you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle
You gotta rub me the right way
If you wanna be with me
I can make your wish come true
Gotta make a big impression
Gotta like what you do
Gotta like what you do
Gotta like what you do
I'm a genie in a bottle, baby
I'm a genie in a bottle, baby
Come on, come on, come on and let me out
Come on, come on, come on and let me out
Come on, come on, come on and let me out
Come on, come on, come on and let me out
If you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle
You gotta rub me the right way
If you wanna be with me

I can make your wish come true
You gotta make a big impression
Gotta like what you do
I'm a genie in a bottle, baby
I'm a genie in a bottle, baby
Come on, come on, come on and let me out
Come on, come on, come on and let me out
(My heart is sayin' no)
Come on, come on, come on and let me out
(My heart is sayin' no)
Come on, come on, come on and let me out
(My heart is sayin' no)
Come on, come on, come on and let me out
(My body's sayin' let's go)
Come on, come on, come on and let me out
